

Stockholm Old Town Walking Tour

[BOOK](#)

See and learn about the Royal Palace, one of the main sights in the Old Town, built on seven floors and boasting over 1,400 rooms. Visit Järnpojken, also known as "The Iron Boy" and Sweden's smallest statue. Hear about the German Church, one of three churches in the Old Town. Discover Mårten Trotzigs gränd of all the alleys in the Old Town; this is the most narrow of them all. Explore Riddarholmen, once home to members of nobility residing in the many private palaces found on the island.
